

# 15 March 2016

## Telkom DGL announces Masters Series line-up.

Following a rigorous seeding tournament, Telkom today announced the line-up for the first event in the Telkom DGL Masters series taking place at the rAge Expo 18-20 March 2016, Cape Town.

The purpose of the seeding tournament, which took place between 22 February and 6 March 2016, was to match up the teams for the knock-out stage of the DGL Masters, rAge Cape Town. As a result of this the line-up will be:

The eight teams representing each of the eight Masters Multi-Gaming Organisations (MGO's) will be competing for the R100000 prize pool. The prize pool is broken down by placement:

- First place - R40 000
- Second place R20 000
- Third place - R10 000
- Fourth place - R10 000
- Fifth to eighth place - R5000

This tournament is the first in a series leading up to the Masters main event taking place at rAge Expo, Johannesburg in October, with a prize pool of R1 million. The Masters programme will become the pinnacle of eSports in South Africa where the MGOs will compete for the largest prize pool in South African eSports history.

For 2016, the MGOs competing at Masters level are:

- [Aperture Gaming](#)
- [Bravado Gaming](#)
- [CarboN eSports](#)

- [Damage Control](#)
- [Flipsid3](#)
- [Veneration E-Sports](#)
- [White Rabbit Gaming](#)
- [Xperts@Total.Chaos](#)

All games will be streamed live on: [http://www.twitch.tv/dgl\\_live](http://www.twitch.tv/dgl_live).

**ABOUT TELKOM:**

Telkom is a leading communications services provider in South Africa. We had consolidated operating revenue of R16.8 billion and normalised profit after tax of R1, 683 million for the period ended 30 September 2015. Total assets amounted to R41.9 billion and equity attributable to the owners of Telkom to R23.5 billion as of 30 September 2015. The group generated normalised free cash flow of R1.4 billion for the period ended 30 September 2015.

As of 30 September 2015, we had approximately 3.3 million telephone access lines in service and 1,030,441 ports connected via MSAN access. We offer business, residential and payphone customers a wide range of services and products, including:

- fixed-line retail voice services using PSTN (Public Switched Telephone Network) lines, including ISDN (Integrated Services Digital Network) lines, and the sale of subscription based value-added voice services and calling plans;
- fixed-line customer premises equipment rental and sales services both voice and data needs and these include PABX, Computers, Routers, Modems, Telephone handsets and other ancillary equipment;
- interconnection services, including terminating and transiting traffic from South African mobile operators, as well as from international operators and transiting traffic from mobile to international destinations;

- fixed-line data services, including domestic and international data transmission services, such as point-to-point leased lines, ADSL (Asymmetrical Digital Subscriber Line) services, packet-based services, managed data networking services and internet access and related information technology services;
- Data Centre Operations includes e-commerce, application service provider, hosting, data storage, e-mail and security services;
- W-CDMA (Wideband Code Division Multiple Access), a 3G next generation network, including fixed voice services, data services and nomadic voice services;
- mobile communication services, including voice services, data services and handset sales through our mobile navbar-brand called Telkom Mobile;
- information and communication services including cloud services, infrastructure services, workspace services, global service integration management and hardware and network equipment sales locally, in seven African countries, the UK and Dubai through Business Connexion Group; and
- other services including directory services, through Trudon (Pty) Ltd, wireless data services, through Swiftnet (Pty) Ltd.

Convergence is one of our key strategic initiatives in building a sustainable future for Telkom. We will lead the provision of converged services in South Africa in support of our mission statement: Seamlessly connecting people to a better life.
