

01 December 2017

Telkom celebrates the holidays with 12 Deals of Christmas

Telkom is celebrating the holiday season with 12 great gifts for 12 great mobile deals. Each deal comes with a free gift and is available for only two days before the next deal is announced. The promotion runs from 1 December to 24 December.

Today's deal is for a Samsung Galaxy Note 8, on FreeMe 20GB with LIT Music and Video or higher, with a Gear S3 Frontier, smartwatch valued at R6 999. The total deal price is R1 299 including VAT for FreeMe 20GB. It is valid from 8am on Friday 1 December until 3pm on Saturday 2 December. New deals will be announced from 3pm for the next day, with a new deal loaded every alternate day.

As an additional Christmas gift to consumers, Telkom brought together two of SA's top musical talents, GoodLuck and Black Motion, who recorded a new, authentically South African Christmas song, '12 Days of Christmas'. Consumers can download the song now for free on www.telkom.co.za and watch the video on Telkom's YouTube channel: www.youtube.com/user/TelkomMobile/videos.

Visit www.telkom.co.za or a Telkom store for more information about the 12 Deals of Christmas or to get today's deal.

ABOUT TELKOM:

Telkom is a leading information and communications technology services provider in South Africa. We had consolidated operating revenue of R41 billion and normalised profit after tax of R3 907 million for the year ended 31 March 2017. Total assets amounted to R48.0 billion and equity attributable to the owners of Telkom to R27.6 billion as of 31 March 2017

As of 31 March 2017, we had approximately 3.0 million telephone access lines in service and 1,329,450 ports connected via MSAN access. We offer business, residential and payphone customers a wide range of services and products, including:

- fixed-line retail voice services using PSTN (Public Switched Telephone Network) lines, including ISDN (Integrated Services Digital Network) lines, and the sale of subscription based value-added voice services and calling plans;
- fixed-line customer premises equipment rental and sales services both voice and data needs and these include PABX, Computers, Routers, Modems, Telephone handsets and other ancillary equipment;
- interconnection services, including terminating and transiting traffic from South African mobile operators, as well as from international operators and transiting traffic from mobile to international destinations;

- fixed-line data services, including domestic and international data transmission services, such as point-to-point leased lines, ADSL (Asymmetrical Digital Subscriber Line) services, packet-based services, managed data networking services and internet access and related information technology services;
- Data Centre Operations includes e-commerce, application service provider, hosting, data storage, e-mail and security services;
- W-CDMA (Wideband Code Division Multiple Access), a 3G next generation network, including fixed voice services, data services and nomadic voice services;
- mobile communication services, including voice services, data services and handset sales through our mobile brand called Telkom Mobile;
- information technology services including converged communication, IT service solutions, application solutions, IT hardware and software and industrial technology service sales locally, in seven African countries, the UK and Dubai through Business Connexion Group; and other services including directory services, through Trudon (Pty) Ltd, wireless data services, through Swiftnet (Pty) Ltd.
- Convergence is one of our key strategic initiatives in building a sustainable future for Telkom. We will lead the provision of converged services in South Africa in support of our mission statement: Seamlessly connecting people to a better life.
