6. Migrations

6.1 Upward Migrations

An upward migration refers to the scenario when the subscriber wishes to move to a package of a higher subscription than the existing package, during the fixed term portion of the agreement.

- a. The subscriber may upward migrate without any penalties at any time during the fixed term agreement.
The subscriber shall retain any balance of the Once-Off Internet bundles at time of upward migration.
- b. The subscriber shall continue with the existing contract agreement, and shall not be considered to have entered into a new contract agreement based on the migration request.
- c. Subscribers who are subscribed to old offers can migrate to the new broadband offers.
Upward migrations are limited to one instance per calendar month only

6.2 Downward migrations

A downward migration refers to the scenario when the subscriber wishes to move to a package of a lower subscription than the existing package, during the fixed term portion of the agreement.

- a. The subscriber will be liable to pay a migration fee for a downward migration, which will be determined at the time of requesting the migration.
- b. The subscriber shall retain any balance of the Once-Off Internet bundles at time of downward migration.
- c. Telkom mobile shall, as a downward migration fee, recover the difference in handset subsidy between the original and the newly selected packages as well as a R400 incl. VAT administration fee.
- d. The subscriber shall continue with the existing agreement, and shall not be considered to have entered into a new agreement based on the migration request.

7. Early Terminations

Early terminations refer to scenarios where the subscriber wishes to terminate the agreement prior to the agreement expiry.

- a. The subscriber shall be liable to pay an early termination fee. The early termination fee will be calculated at the time of requesting the early termination.
- b. Telkom mobile shall, as an early termination fee, recover R800 administration fee and also recover the device subsidy for the remainder of the contract term.

Telkom SA SOC Limited: Reg no 1991/005476/30

Directors: JA Mabuza (Chairman), SN Maseko (Group Chief Executive Officer), S Botha, Dr. CA Fynn, N Kapila*, I Kgaboesele, K Kweyama, K Mzondeki, F Petersen, LL Von Zeuner.

*India

8. Service Conversions

This refers to scenarios where a subscriber wishes to change from a post-paid account to either a hybrid account or a pre-paid option.

- a. Early termination shall be applicable, but the subscriber shall be permitted to retain the originally assigned mobile number allocated to him, or ported over by Telkom mobile.

9. Telkom Service Charges

- 9.1 Telkom will levy Service Charges in accordance with the rates as determined by Telkom from time to time subject to Telkom's ECS license conditions, or any other applicable licenses, laws or regulations which may apply from time to time.
- 9.2 The Telkom Service Charges are available on the Telkom Internet Website and may be amended by Telkom from time to time.

10. Billing

- 10.1 Telkom will commence to bill a Customer for the Telkom Internet Service upon Activation.
- 10.2 Telkom will periodically provide a Customer, usually on a monthly basis, with an invoice for the amounts payable by the Customer in respect of the Telkom Internet Service rendered. The Customer remains liable for payment in respect of the aforementioned Telkom Internet Service, irrespective of whether an invoice has been received by the Customer.
- 10.3 Billing will not be effected on a pro rata basis in respect of any partial Data purchased by the Customer.
- 10.4 Upon Activation, a Customer will be billed for the full first month, irrespective of when in the particular month the Telkom Internet Service was activated, and thereafter on a monthly basis, if applicable.
- 10.5 Notwithstanding the provisions of clauses 10.3 and 10.4 above, Telkom may, at its own discretion, issue a Customer an account outside of the normal billing cycle, and/or demand immediate payment of any amounts due by a Customer.
- 10.6 An account rendered by Telkom to a Customer as contemplated in this clause 10 is prima facie proof of the amount due by the Customer to Telkom in respect of the Telkom Internet Service.

Telkom SA SOC Limited: Reg no 1991/005476/30

Company Secretary: X Mpongoshe Makasi

*India

11. Payments

- 11.1 A Customer is liable for the payment of all charges as reflected in the account rendered by Telkom from time to time (where applicable) in respect of the Telkom Internet Service.
- 11.2 In the event that the Customer receives an account, amounts are due and payable on or before the due date indicated on the account.
- 11.3 Any amount due by the Customer to Telkom not paid on or before the due date indicated on the account, shall bear interest at a rate not exceeding the maximum rate allowed by the National Credit Act 34 of 2005, compounded monthly, calculated from the date of issue of the account until date of actual payment.
- 11.4 Should either Party default on its obligations in terms of these terms and conditions, such defaulting Party shall be liable for all costs, including legal costs on an attorney and own client basis, as well as tracing costs and collection commission incurred by the aggrieved Party, in the enforcement of any obligations of the defaulting Party in terms of these terms and conditions.
- 11.5 Should the bank dishonour any payment offered by a Customer to Telkom mobile, Telkom shall be entitled, over and above the dishonoured payment as well as bank charges, to charge, and the Customer shall be obliged to pay, a reasonable administration fee.

12. Suspension of the Telkom Internet Service

- 12.1 Telkom may from time to time and with notice where possible, suspend the Telkom Service in any of the following circumstances:
- 12.1.1 Non-payment by a Customer of any fees due to Telkom for the Telkom Service or non-payment by a Customer of his Telkom telephone service;
- 12.1.2 During any technical failure, modification or maintenance of either the service or the equipment by means of which the Telkom Service is provided; or
- 12.1.3 If the customer
- a. Fails to comply with:
- I. Any of these terms and conditions (including failure to pay any charges due),
- II. The Telkom AUP

- b. Does or allows to be done anything which, in Telkom's reasonable opinion, may have the effect of negatively affecting the operation of the Telkom network or the provision of services to the Customer or to any other Customer(s) of Telkom.
- 12.2 In the event that a Customer's Telkom Service is suspended in terms of clause 12.1.1 above, the Customer will be able to reconnect to the Telkom Service upon payment of a reconnection fee.
- 12.3 Notwithstanding any suspension of service under this clause 12, the Customer shall remain liable for all charges due in respect of the Telkom Internet Service throughout the period of suspension
- 12.4 The Customer indemnifies Telkom against any damage, loss, costs or claims which the Customer may suffer or incur arising from the suspension of the Telkom Internet Service.
- 13. Termination of the Telkom Internet Service**
- 13.1 Upon termination of the Telkom Internet Service, Telkom shall disconnect the Customer from Telkom's electronic communications networks.
- 13.2 After disconnection of the Customer as set out in clause 13.1 above, the Customer shall on demand pay all charges outstanding at the time of disconnection which may be charged by Telkom.
- 13.3 The Customer indemnifies Telkom against any damage, loss, costs or claims which Telkom may suffer or incur arising from the termination of the Telkom Internet Service.
- 14. Intellectual Property Rights**
- 14.1 Any intellectual property rights vesting in Telkom, whether by statute or common law, shall remain vested in Telkom and the Customer agrees not to do anything or allow anything to be done that may infringe Telkom's rights in this regard.
- 14.2 The Customer hereby indemnifies Telkom against any claims, actions and proceedings of whatsoever nature that may arise in connection with any intellectual property rights vesting in Telkom.
- 14.3 Should Telkom be required to develop any computer code, data, documents, presentations, solutions design, web site or any application, all intellectual property rights in and to such work shall vest exclusively in Telkom. To the extent that intellectual property rights in the work vests, for whatever reason, in the Customer, the Customer hereby agrees to assign all such intellectual property rights to Telkom, which hereby accepts such assignment.
- 14.4 The Customer shall not modify, reverse engineer or use any software, computer code, data, documents, presentations, solutions design, web site or any application licensed to it in terms of these terms and conditions to create a derivative work.

15. Risk

The Customer subscribes to and uses the Telkom Internet Service at his own risk.

16. Excusable Events

Telkom shall not be liable to the Customer for any breach of the provisions of these terms and conditions or failure to perform any obligation as a result of any force majeure event, including but not limited to technical problems relating to Telkom's network, acts of God, Government controls, restrictions or prohibitions or any other Government act or omission, whether local or national, any act or default of any supplier, agent or sub-contractor, industrial disputes, strikes or work stoppages of any kind or any other similar or dissimilar cause, in so far as these are beyond Telkom's control.

17. Liability and Indemnity

17.1 Telkom assumes no responsibility for, and shall not attract any liability in respect of, the integrity, correctness, retention or content of information transported via its network.

17.2 In terms of condition 9 of its Standard Terms and Conditions for the Provision of Electronic Communications Services and Products, Telkom shall under no circumstances be liable (including liability for negligence) for any loss, damage or injury that the Customer or any third party may suffer, irrespective of when or how arising, specifically including (but not limited to) refunds of fees, loss of profits, financial loss, loss of contracts, loss of income, loss of anticipated business, cost of replacement services, goodwill or any other form of consequential loss, arising from the provision and / or use of the Telkom Internet Service to the Customer, its employees, directors, agents and / or representatives.

17.3 In addition to what is set out in clause 17.1 and 17.2 above, the Customer shall and hereby does indemnify Telkom against:

17.3.1 Any damage, loss or liability of whatsoever nature arising from a breach of Telkom or the Customer's security measures, which may result in, inter alia, data theft, abuse of a Customer's e-mail account or the defacing of websites hosted by Telkom, any misuse of Telkom facilities or services and/or any act or omission of any other Customer of Telkom;

17.3.2 Any claim by any third party arising directly or indirectly out of or related to the Customer's access to or use of the Telkom Internet Service or any information or data obtained through such access or use.

17.4 Telkom is not liable for any loss or damage to your property or equipment arising out of the provision, installation or maintenance and use of the Telkom's 3G/LTE service.

17.5 Telkom will not incur any liability whatsoever for any loss or damage as a result of any use, authorised or unauthorised, resulting from virus attacks, security vulnerabilities, and loss of information

18. **Whole Agreement**

18.1 These terms and conditions, read with Telkom's Standard Terms and Conditions for the Provision of Electronic Communications Services and Products, constitute the whole agreement between Telkom and the Customer relating to the subject matter hereof and save as otherwise provided herein no amendment, alteration, addition, variation or consensual cancellation will be of any force or effect unless reduced to writing and signed by the parties or their duly authorised representatives.

18.2 Subject to clause 18.1, the Telkom and the Customer agree that no other terms or conditions, whether oral or written, and whether express or implied, will apply hereto.

19. **Severability**

If any of the provisions or any portion of the provisions of these terms and conditions shall be invalid or unenforceable, such invalidity or unenforceability will not invalidate or render unenforceable the entire terms and conditions, but rather the entire terms and conditions will be construed as if not containing the particular invalid or unenforceable provisions or portion thereof, and the rights or obligations of Telkom and the Customer will be construed and enforced accordingly.
